LANDTSCAP SPACES

Landtscap features several versatile areas, offering abundant opportunities for creative event concepts and allowing multiple experiences to unfold seamlessly within a single venue.

LANDTSCAP - Indoor reception venue

The main venue is defined by its modern, contemporary, and highly adaptable design. With a neutral palette of raw textures and organic elements, the space provides the perfect canvas to reflect the unique style of your event.

Our spacious designer oak tables comfortably seat 10 guests each, accompanied by distinctive crockery and elegant glassware for up to 160 guests. A centrally located main bar at the rear of the venue, spacious restrooms, climate control, dimmable lighting, and block-out blinds are all included to ensure comfort and convenience.
The venue opens onto a wraparound deck at the front—an ideal spot to gather and celebrate the sunset.

WELKOM TUINEN - Entrance and side garden

The enchanting indigenous gardens offer a picturesque setting to welcome your guests as they transition into the indoor area at Landtscap. This serene space is ideal for serving refreshing drinks and setting the tone for the celebration, with the option to include light activities as part of the welcome festivities.

VISTA - Main lawn area

The lawn area is an ideal setting for open-air events or early morning and late-afternoon outdoor functions. It offers sweeping views of the majestic mountains surrounding Landtscap and is easily accessible from both the main indoor space and the Houten deck.

LANDTSCAP SPACES

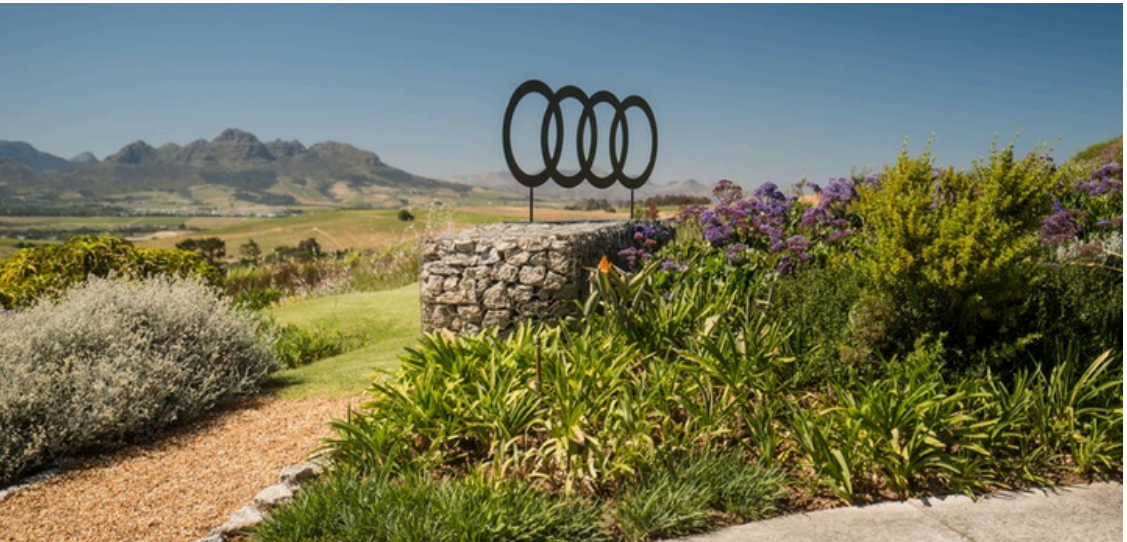

HOUTEN DECK - Deck

The deck offers panoramic views of the majestic mountains surrounding Landtscap and connects seamlessly to both the main indoor space and the expansive lawn area. It's the perfect spot for pre-function drinks or relaxing breaks between a busy event schedule on a beautiful day. To enhance guest comfort, we provide a selection of outdoor furniture including benches, ottomans, coffee tables, chairs, cocktail tables, and umbrellas—creating a welcoming and stylish space to unwind and take in the scenery.

HABITAT - Open space and terrace

The Habitat is a hidden gem tucked discreetly beneath the main reception venue, offering an equally breathtaking view. This open-air, covered space opens onto a lush lawn—ideal for breakaway sessions, luncheons, cocktail setups, or activities away from the main event.

Complete with its own bathrooms, bar, and service area, The Habitat provides both convenience and versatility. It also serves as an excellent backup location for outdoor festivities in the event of wind or rain.

LANDTSCAP VENUE HIRE

Accommodating 160 guests seated at our elegant rectangular oak tables with space for a dance floor, Landtscap allows for a majestic event having site of the views that surround the venue throughout one space to the next.

The indoor area opens onto a spacious wooden deck, ideal for cocktail hour. Included in the venue hire is a selection of outdoor furniture—benches, ottomans, coffee and cocktail tables, and umbrellas—to create a comfortable and stylish setting. The deck extends onto a beautifully manicured lawn which, weather permitting, serves as an inviting space for arrival drinks or food stations. Our silver-plated cutlery, white crockery, and elegant stemware offer a modern touch that perfectly complements the venue's aesthetic. Just below, the lower terrace offers a shaded outdoor area with enchanting views and a small lawn, ideal for more intimate gatherings.
